ADMINISTRATIVE EXPERIENCE

- **Interim Dean**, College of Science, Eastern Kentucky University, Richmond. 7/2016-present

Serves as the administrative and academic leader of the college. Responsible for administrative oversight, resource allocation and management, student academic services, faculty affairs, program and course development and evaluation, research, and liaison with central administration and the university community, and external relationships.

- **Associate Dean**, College of Arts and Sciences, Eastern Kentucky University, Richmond. 7/2005-6/2016

Responsible for various College activities related to the administration of the College including promotion and tenure, strategic planning, policies and procedures, and faculty development. Assisted with faculty appointments, chairperson appointments, academic program reviews, and other administrative or personnel special projects and activities as assigned by the Dean. Coordinated the College junior faculty mentoring program. Promoted and supported the research mission of the College, including assisting faculty members in their pursuit of external funding.

- **Project Director**, ECU Governor's Minority Student College Preparation Program (GMSCPP), Richmond. 8/2015 – 6/2016

The project was funded by Kentucky's Council on Postsecondary Education and provided academic enrichment opportunities to middle school students from diverse backgrounds in Madison County. The Saturday STEM Program consisted of learning experiences designed to introduce the students to STEM-H fields. The Wednesday after-school enhancement program exposed students to academic enrichment activities, good study habits, time management, and assistance with homework.

- **Administrative Intern**, Office of Senior Vice President for Academic Affairs & Provost, Eastern Kentucky University, Richmond, 1/2015-4/2015.

Shadowed the Provost to both internal and external meetings. Held candid group discussions with Provost and five other interns on leadership and the complexity, sensitivity, variety and large number of areas of responsibility that falls under the purview of the Provost.

- **Interim Department Chair**, Department of Physics & Astronomy, Eastern Kentucky University, Richmond. 5/2008-6/2008 and 1/2009-6/2009

Responsible for administration of the department including budget development and management, faculty hiring, faculty and staff supervision and evaluation,

course scheduling, oversight of student advising/orientation sessions, student issues, and advocacy and interactions with other units on behalf of the department.

- **Assistant Dean**, College of Arts and Sciences, Eastern Kentucky University, Richmond. 1/2004-6/2005

Responsible for various College activities related to the administration of the College, faculty and staff personnel and policy issues, and scholarly activities. Represented the College at university-level student recruitment activities and served as editor of the College newsletter.

- **Project Director/Principal Investigator**, Eastern Kentucky University's GK-12 project (ISMAM), 1/2003- 6/2006.

The project was funded by a \$1.5 million grant from the National Science Foundation and involved working with selected middle schools to improve the teaching of science and mathematics. Oversaw the overall implementation of the project. Specifically: set up and managed the project office, prepared and oversaw the budget, recruited and supervised personnel (51 total), organized and chaired grant-wide planning meetings, participated in training workshops, served as a faculty participant/mentor, interacted with internal and external project evaluators, interacted with NSF (including attending annual meetings of NSF GK-12 project teams [2004, 2005, 2006], submission of proposals for supplemental awards [2003,2004, 2005], and preparation and submission of annual and final report), collected and submitted program monitoring data to Quantum Research Corporation (QRC), promoted the project to internal and external constituencies (including presenting at conferences).

- **Administrative Intern**, Office of the Dean, College of Arts and Sciences Eastern Kentucky University, Richmond, 8/2002-5/2003.

Participated in college-level recruitment efforts on and off-campus, oversaw the development of the first college brochure, edited and produced the college newsletter, accompanied the college Dean and Associate Dean to meetings.

- **Coordinator of Graduate Program**, Department of Chemistry, Eastern Kentucky University, Richmond 9/1997-8/2002

Reviewed and processed prospective graduate student applications, oversaw the graduate program curriculum including scheduling of courses, revision of existing courses and introduction of new ones, streamlined advising for both enrolled and prospective graduate students, stepped up recruitment and retention efforts for the M.S. program, developed and maintained the Department's graduate studies website, chaired the graduate committee, made laboratory-teaching assignments to faculty, part time instructors and graduate assistants. Played the leading role in the chemistry graduate program review mandated by the Kentucky Council on Postsecondary Education.

ACADEMIC EXPERIENCE

- **Professor**, Eastern Kentucky University, Richmond. 2003-present
- **Associate Professor**, Eastern Kentucky University, Richmond. 1998-2003 (**Tenured**,

2000)

- **Visiting Research Faculty**, University of Kentucky, Lexington (Summers 1999, 2000, 2001 and 2002)
- **Assistant Professor**, Eastern Kentucky University, Richmond. 1995-1998
- **Postdoctoral Research Associate**, Southwest Texas State University, San Marcos. 1993-1995
- **Research and Teaching Assistant**, University of British Columbia, Vancouver. 1986-1993

EDUCATION

- **Ph.D.**, University of British Columbia, Vancouver, 1993
- **M.Sc.**, University of British Columbia, Vancouver, 1989
- **B.Sc.** (1st Class Hons.), University of Nairobi, Nairobi, 1986

ACADEMIC LEADERSHIP AND PLANNING TRAINING

- Conflict Management for Deans. Pre-conference workshop, *Council of Colleges of Arts & Sciences (CCAS)*. San Diego, California, November 2, 2016.
- Development for Deans and Academic Leaders. *Council for Advancement and Support of Education (CASE)*. New Orleans, Louisiana, October 5-7, 2016.
- New Deans Seminar. *Council of Colleges of Arts and Sciences (CCAS)*, Chicago, Illinois, July 24-27, 2016.
- President's Leadership in Action Academy (PLAA). A professional development program for aspiring leaders involving regularly scheduled meetings with leadership professional development speakers (leadership styles and concepts), leadership in action professional development speakers (university functions and challenges facing the university), an administrative internship, and a group project. *Eastern Kentucky University*, Richmond, Kentucky, August 2014 to May 2015.
- Promoting better teaching and learning across the whole campus through faculty evaluations and faculty development. Workshop for academic administrators presented by L. Dee Fink, *Eastern Kentucky University*, Richmond, Kentucky, June 16-17, 2014.
- Using quantitative productivity tools to guide academic decision-making: A workshop for deans, associate/assistant deans and budget managers. *Council of Colleges of Arts and Sciences (CCAS)*, Cincinnati, Ohio, March 25-26, 2011
- Deans and development. Post-conference workshop, *Council of Colleges of Arts & Sciences (CCAS)*. Portland, Oregon, November 15, 2008.
- Stepping up to the deanship: A hands-on skills assessment and CV workshop. Post-conference workshop. *Council of Colleges of Arts and Sciences (CCAS)*, Chicago, Illinois, November 10, 2007
- Management development program (**Certificate**). Harvard University Graduate School of Education, Cambridge, Massachusetts, June 16-28, 2007

- Deans' seminar on new structures: Planning, financing and building new facilities for the arts and sciences. *Council of Colleges of Arts and Sciences (CCAS)*, Omaha, Nebraska, March 17-18, 2005

AWARDS

- Distinguished College/University Scientist Award (2002); Kentucky Academy of Science.
- Research Award (2000); College of Arts and Sciences, ECU.

PROFESSIONAL ASSOCIATION AND SELECTED PROFESSIONAL SERVICE

- Member, Kentucky Statewide EPSCoR Committee (2006 – present)
- Member, Kentucky NSF EPSCoR Sub-Committee (2006 – present)
- Member, Council of Colleges of Arts and Sciences [CCAS] (2005- present)
 - ◆ Member of Committee on Cultural Diversity (2008, 2009, 2010; **Co-Chair:** 2009, 2010)
 - ◆ Member, **Board of Directors** (11/2010 – 11/2014)
 - ◆ **Coordinator**, Annual Evaluation of Executive Director of CCAS (1/2013-4/2013)
 - ◆ **Chair**, Subcommittee of Board of Directors to design a mentoring program for new deans (11/2010 - 1/2012)
 - ◆ **Chair**, Case Studies Selection Committee (1/2011 – 1/2014)
 - ◆ Board Liaison, Committee on Comprehensive Institutions (11/2011-11/2012)
 - ◆ Board Liaison, Committee on Associate/Assistant Deans (11/2012- 11/2014)
 - ◆ Member, Ad hoc Committee on Governance (1/2014 – 11/2014)
- Member, Kentucky Biomedical Research Infrastructure Network (KBRIN) Steering Committee (2004 – present)
- Member, American Chemical Society (1993-2004; Public Relations Chair: Lexington Section, 1997 - 2002)
- Member, Council on Undergraduate Research (EKU Liaison, 1995 - present)
- Member, Kentucky Academy of Science (Ordinary member since 1998, Life member since 2002)
- Member, Kentucky Science Teachers Association (2004 - 2007)
- Member, National Science Teachers Association (2004 - 2009)
- Founding Member, Central States Regional Undergraduate X-ray Diffraction Consortium (1999)

COMMUNITY OUTREACH

- Served as Project Director of EKU's Governor's Minority Student College Preparation Program (GMS CPP), providing academic enrichment opportunities to middle school students from diverse backgrounds in Madison County, Kentucky (8/15 – 6/2016).
- Served as Project Director of EKU's GK-12 program (ISMAM), working with six

middle schools in Appalachian Kentucky to improve the teaching of science and mathematics in these schools by infusing the use of inquiry-based instruction and technology into their curricula (1/03 – 6/06).

- My outreach activities have primarily involved giving talks, presenting demonstrations or participating in science career days in local K-12 schools.
